Grison Röteli

Grison Röteli is a very traditional liqueur speciality from the Grison mountains since the 19th century. A spice liqueur made from dried mountain cherries with a hint of cloves, vanilla and cinnamon. These ingredients gives the unique flavour.

Grison Salsiz

Long time ago, for the swiss butcher the Salsiz was the "good" sausage. Lean beef, fine pork and bacon is used for traditional Grisons Salsiz. Versatile and always prominently - you will be surprised.

Grison Barley Soup

The most famous soup of Grison. In each of the Grison valleys it's cooked differently, but one ingredient always remains the same - the barley. Vegetables, smoked meat and a pinch of a secret ingredient makes our version unique.
